3.1 Chair	
Thanks and congratulations to the conference organising team for a very successful conference.	
Welcome to Jonathan Garton who was elected at the AGM.	
Congratulations to be sent to JM on her forthcoming marriage.	RH
Work that had been commissioned on the website has been completed and paid for. The priority now was incorporate an e-commerce element for membership renewal/joining. Four options were presented:	
£300. Membership renewal service but not new members, manual input of data.	
2) £450. Renewal and new members service, manual input of data.	
 £750. Renewal and new members service, semi-automatic input of data. 	
4) £1250. Fully automated and data automatically entered into database.	
AGREED	RH
Option 2 agreed as an initial step and further 'upgrades' will be explored as	MS
appropriate.	JM
ESRC Grant Panel Call	
RH wrote to Gavin Salisbury, who responded to say that the ESRC does not normally consult learned societies on such matters, but that it would be helpful for us to disseminate relevant calls and notices to our membership. The	MS

easiest way to do this would be for MS to sign up to the ESRC e-News bulletings and forward to members. World Consortium on Law and Society RH had an email from Angela Melville suggesting that we should reconsider joining the WCLS if it gains momentum. **AGREED** If it the WCLS gains momentum, the Executive will take forward. Academy of Social Sciences At present, membership was free for the Association. A fee would be incurred for continued membership and it would be a significant cost. Membership enables the nomination of Academicians by the Association, and all our recent nominations were successful, but other benefits of membership are less clear. ΑII The Executive will evaluate ongoing membership through greater involvement at AcSS events by a range of Exec members. Next nomination round is in June – nominations to be requested from SLSA MS membership – include in next members e-bulletin. Check renewal date and cost of membership with LM and put on agenda for RH/LM the next Executive meeting to think through a nomination strategy. **APK Nuffield Foundation** Sharon Witherspoon has been appointed as the new Director of the Nuffield Foundation. A Deputy Director would be appointed in due course, although Sharon may retain some of her current function. **AGREED** RH RH to write to congratulate SW on behalf of the SLSA and offer thanks for SW's visit and presentation at the Annual Conference. RH will also ask SW's permission to disseminate material presented by SW at the Conference. MS will produce a summary for the newsletter and will also upload materials MS from the Nuffield presentation to the website if SW agrees, along with materials from other recent SLSA events. Ashgate/Publishers Page Ashgate had contacted the Association regarding the addition of a landing page for SLSA members on their website. This link would enable members to obtain a discount on selected books **AGREED** Explore ability to obtain discount on all books rather than just selected texts. AN To revive a similar arrangement proposed by Routledge, and explore with other publishers as appropriate. AN given permission to negotiate with publishers.

JISC

The HEA and JISC had called for proposals for funding from scholarly associations to promote the use of open educational resources in their discipline.

AGREED	
Although we were not in a position to respond to this call, we should develop a repository for materials within the SLSA website with a view to promoting open access materials in the longer term.	MS
International Liaison	
AGREED	
Put on the agenda for the next meeting a discussion of the appointment of an executive member responsible for international liaison. It was suggested that the role should draw upon experience from within the membership of international consultancy/collaboration.	APK
3.2. Treasurer*	
See accounts submitted to the AGM. Financial position has improved. LM recommended the re-introduction of the seminar series. It was noted that the Journal of Law and Society was starting a similar scheme.	
AGREED	GD
£2500 allocated and a research seminar sub-committee formed to review	PE
existing documentation and recommend a way forward. GD, PE and MOB agreed as members.	MOB
agreed de membere.	
3.3. Membership	
See report to AGM.	
3.4. Recruitment*	
See report to AGM. CH to explore reviving Social Policy Association links.	СН
3.5 Newsletter	
The Executive was reminded that the Summer issue deadline is the end of May.	
3.7. Webmaster	
No report.	
4.1.a. DMU 2012	
The conference team reflected upon the positive environment, and excellent	
venue. Particular praise was offered for the conference administrator, Kate	
Scott, and thanks also to Martin Morgan-Taylor who had assisted substantially with organisation and logistics. Very good conference dinner. Thanks was extended by the Executive to the Law School for their sponsorship of the conference dinner.	
AGREED	
It was appropriate to review the criteria for host selection.	AN/GD
RH would send a thank you letter to Sheree Peaple (Head of Leicester De Montfort Law School).	RH

CH provided a presentation on the York Conference venue. After consulting with the Executive, it was AGREED that the conference dinner would be held at the National Railway Museum. The successful strategy to reinforce attendance at the dinner deployed at DMU12 would be replicated. The following were also AGREED: Author meets reader sessions - these were valuable sessions but worked best in the context of a vibrant stream/theme, and joint sessions with relevant streams should be considered. The Blomley session in which he presented the outline and arguments in the book had worked well and it was suggested that the format should be replicated if possible. Plenary session - explore attracting a high-profile figure and if unable to do so, then avoid having a plenary for the sake of having one. Richard Best and Brenda Hale suggested. RH to approach Brenda Hale initially. SLSA Stand - the location didn't work as well as hoped in 2012. Something to be mindful of at York. Invite posters from doctorate/young scholars. The need to include some notepaper in conference packs was identified. To be included in 2013. Include a social media (Twitter) aspect to the conference. Site visit to be undertaken. 4.1.c RGU 2014 There was a desire to look at exploring the social schedule and creating a 'fun experience' in order to attract as many people as possible. Possibly explore the theme of Scottish devolution/independence. AGREED Need to promote the conference within Scotland to ensure a good attendance. Invite Kenny MacAskill MSP as plenary speaker. Workshop further ideas for RGU conference at next Exec meeting. It was also AGREED that a call for expressions of interest in hosting the 2015 Annual Conference be included in the next newsletter and responses be considered at the September Executive. 4.2 Postgraduate Check where it is being held/details (DC suggests not at Bristol?). LM 4.3.a. One Day - Funding This event went well.
